

# Positive Adventures TEAM Building Curriculum

Positive Adventures is California's premier provider of youth development, staff training, experiential education and outdoor education programs.

The PA Team Builder's Bag is built around a curriculum that is not only easy to use but that is also engaging for both students and staff. The bag comes fully equipped with Positive Adventures' Team Building Manual along with the necessary gear to run many of the manual's initiatives. Our curriculum is more than just field games and fun. PA is committed to developing your youth & training your staff through activity based learning and experiential team challenges.

## Why our curriculum?

- Empower your staff to learn the skills of group facilitation and cooperative activity leadership.
- Invest in teaching YOUR students valuable interpersonal skills, leadership, communication, conflict resolution and trust
- Easily adaptable to fit the population of your students and specifics of your program.
- Easy to use, and our trainers will make sure your staff have a plan for implementing the investment you make. No wasted resources or funds!

## Next Steps?

For more information regarding pricing, scheduling a training, or inquiries about our team building curriculum. Please contact us at
